REPORT OF SUPERINTENDENT OF SCHOOLS

To the Board of Education and Citizens of Milo:

I herewith submit the annual report of the Superintendent of Schools. The Town of Milo has had a total enrollment of 646. This is a slight gain over last year. The distribution is as follows:

Chase Hall	80
Primary	72
Grammar	125
Derby	173
High School	196
<hr/>	
Total	646

This is the first time for several years that there has been a gain in the total enrollment. This gain has come largely from families who have moved back to Milo from defense areas. On the whole pupils have established a very satisfactory attendance record during the first half of the present school year. Truancy has been reduced to a minimum and outside of whooping cough we have been quite free from illness in the schools.

PERSONNEL

Several new teachers have been added to the teaching staff this year:

Herbert W. DeVeber, Newburyport, Mass., Colby College, Principal of Milo High School, Math.

Charles Van Nostrand, Damariscotta, Maine, Cornell and Columbia Uni., Sciences.

Dana Grindle, Milo, Maine, Normal Schools and Business College, Grade 8.

Pauline Dartnell, Milo, Maine, Fredericton, N. B., Normal School, Grade 7.

Mary Anthony, Derby, Maine, W. S. N. S., Grade 3.

Ruth Fletcher, Milo, Maine, Castine Normal School, Grades 6 and 7 at Derby.

Fletcher Anthony, Derby, Maine, Eastern State Normal School, Principal, Grade 8 at Derby Grammar School.

Emma Heath, Milo, Maine, Farmington Normal School, Grade 2, at Derby.

Isabel Delano, Milo, Maine, Farmington State Normal School, Sub-Primary.

These teachers are all well qualified and are doing good work. Compared with some towns, we are more than fortunate in having a capable teaching staff in these times. One of these teachers, Dana Grindle, attended the Workshop Course at the University of Maine. Pauline Dartnell also studied this summer at the University of Maine. George W. Brewer continued his graduate work at Boston University.

BUILDINGS AND REPAIRS

The school buildings in town are all in need of outside paint and, although it may be impossible to do anything on them this year, it is my duty to point out the conditions as they are. Some work should be done on the metal ceilings in several of the class-rooms.

At the high school something should be done to keep the water from backing up and running down through the wall and ceilings in the Biology and French rooms. The ice apparently freezes to the gutter and causes a condition which is damaging the building. It has been particularly bad this winter. One of the ceilings which has been repaired several times may have to be put in new this summer. The plaster is pretty shaky. Some of the pipes to

the boiler in the heating plant are rusting out and need to be replaced.

At the Derby school something should be done to eliminate the danger from icy steps at the back fire-door.

There are the usual smaller items, too numerous to mention, which are necessary every year for the maintenance of a school plant.

TEXTBOOKS AND SUPPLIES

The textbooks are in good condition in every school. We had to buy more than usual this year largely due to increases in enrollments in grades where we were short of books. New algebra books were purchased in the high school because the old ones were simply disintegrating. The expenses for textbooks and supplies have increased this year mostly for the same reason that has been mentioned—increased enrollments. We have been fortunate in having enough supplies and textbooks to maintain the schools at the pre-war standard even though the shortages of both paper and textbooks have seriously effected schools in certain states and localities.

FINANCES

These are hard times on budgets. The cost of practically everything has gone up during the last three years. It is only natural that the present conditions should be reflected in the school budget and in the tax rate. The problems of finance in the school department are difficult for the simple reason that public school education is compulsory and within certain limits the costs are fixed. Only a radical change in the educational system, including the school plant, in Milo could make a sizeable reduction in operational expenses. While the budget is made up in February, certain expenses, including teachers salaries, janitors wages, and in some cases repair costs, can not be adequate-

ly determined until in the late spring or during the summer. However, every effort has been made to hold expenses at a minimum.

To illustrate what the School Board has done to economize, the position of music supervisor was eliminated in order to keep the budget in balance if possible. A saving of several hundred dollars was realized by this move. This is only one of the many cases in which a saving has been made.

There is no fixed ratio regarding the amounts raised for school purposes in comparison with other town accounts. In some places the costs of school are less than the other departments together, while in some localities they are considerably more than half the total municipal budget. The argument that when the expenses of municipal operations are high, as they are at the present time, they will continue even after the war, is unsound for the simple reason that past history and experience shows that when times get hard, municipal costs are reduced, including salaries and wages. In other words, when prices are falling, municipal tax rates usually go down unless in cases of heavy poor accounts.

The school system in Milo is not arranged for the most economical operation. In the first place there are too many buildings with separate heating units and in some instances the buildings are old and the up-keep is high. Another feature which is expensive is in the distribution of the pupils by grades. This year it ranges all the way from sixteen pupils in a certain grade to forty in another grade. It would be a saving in expense if pupils could be moved from Milo to Derby or Derby to Milo according to the load in the several grades. What I have said in no way effects the efficiency of the work that has been done this past year. The teaching has been good and pupil progress satisfactory.

There are several items I wish to point out in regard to the financial situation. Milo schools need a new bus. It

would be unfortunate if it should come to pass that two new buses should have to be purchased in one year. A sinking fund should be established for equipment of this sort. I recommend that such an account be started immediately.

The present school bus is not only old but is too small for the number of pupils carried. The cost of maintenance on this vehicle is high and does not compare favorably with a similar situation in Brownville where a new bus was purchased in 1941. I understand that a recommendation was made to purchase one in Milo at the same time.

According to the records, recommendations have been made several times in the past for elimination of the double grades in Derby. From the educational standpoint, I would recommend such a move. However, this would mean that one or two class rooms would have to be provided, also more teachers. It is a matter for the town to decide whether they can afford this expense. Personally I feel that the town does very well in its support of its municipal activities, and my work with the members of the budget committee, municipal officers, and townspeople has been very pleasant and satisfactory.

IMPROVEMENTS

We are gradually building up a system of pupil-guidance which is going to pay dividends as far as the educational progress of the boys and girls is concerned. Every boy and girl entering the freshman class this year was carefully screened with a battery of tests and his school work will be guided more and more by such methods. In the grades the pupils are being more carefully placed according to their educational needs. The skipping of a grade, or the repeating of a grade, has been pretty well eliminated.

I am particularly pleased with the work being done in the sub-primary and first four grades where we are using a basal system of reading which is very satisfactory. Read-

ing is without doubt the most important subject a pupil studies in the lower grades.

I am pleased to report that the school system as a whole is in better condition than it was a year ago. By this I refer to several improvements and certain repairs made during the past year which have been very satisfactory. We have an unusually fine teaching staff and the janitors are very reliable. Some of the buildings are in exceptionally good condition. My work during the past year has been very pleasant in spite of the problems due to the war and the conditions which it has brought about. I wish to express my sincere appreciation to the school board, town officials, school personnel and citizens who have been so cooperative and helpful during this past year.

Respectfully submitted,

HUBERT E. REDDING,
Superintendent of Schools.

MARRIAGES

1944

March 4—Laurence Eugene Shorey of Dover-Foxcroft, Maine, and Alberta Ersula Hamilton of Milo, Maine.

Feb. 25—Charles C. Finnemore and Helen Emma Archer, both of LaGrange, Maine.

Mar. 23—George Averill Wallace of Milo, Maine, and Esther Maybelle Gerry of Onawa, Maine.

Feb. 27—Albert Lanigan Hichborn and Kathleen Annis Huff, both of Sebec, Maine.

Mar. 11—Henry Albert Mannisto and Rebecca Rosalind Royal, both of Orneville, Maine.

Mar. 21—Dana Malcolm Swett and Elva Loreen Treffery, both of Ashland, Maine.

May 15—Jarvis Kendall Buck of Milo, Maine, and Ardrienne Cora Beaulieu, of Grand Isle, Maine.

May 15—Ralph E. Bowdoin of Milo, Maine, and Laura A. Hodsdon, of Bangor, Maine.

May 3—Warren L. Pearl of Orneville, Maine, and Leola E. Woodward, of Bangor, Maine.

April 15—Charles H. Philpot and Mary Etta Herbst Pearl, both of Orneville, Maine.

May 6—Joseph John Schlick and Natalie Pansy Ward, both of LaGrange, Maine.

June 1—Paul Warner Nutter and Ada Adelaide Astle, both of Milo, Maine.

1934

June 16—Orris Roland White and Marian Frances Howard, both of Milo, Maine.

1944

June 10—Robert Carl Decker of Milo, Maine and Dorothy Kathleen Sullivan of Plainfield, New Jersey.

June 26—Elwood Harland Beaver of Catawissa, Penna., and Rolande Ardienne Pinette of Milo, Maine.

July 15—Lewis Erastus Brown and Juanita Louise Young, both of Milo, Maine.

July 14—Francis Grindle and Mary Esther Page, both of Lincoln, Maine.

Aug. 6—Ned George French and Dorothy Evelyn Osgood, both of Milo, Maine.

Aug. 9—Fred William Wilson of Guilford, Maine, and Addie Lucretia Hussey of Milo, Maine.

Sept. 25—Lewis Leroy Harris and Nathalie Ruth Dunham, both of Milo, Maine.

Oct. 2—Frederick William McDonald of Sherman, Maine, and Joyce Winnifred Buck of Milo, Maine.

Sept. 26—Lawrence Robert MacLeod of Charleston, Maine, and Marian Louise Call of Milo, Maine.

Oct. 7—Kenneth William Perkins and Bertha Emma McSorley, both of Milo, Maine.

Oct. 23—Guy Norman Kelley of Milo, Maine, and Luetta Elizabeth Cantelope of Cambridge, Mass.

Oct. 27—Malcolm John Stewart of Bowdoin, Maine, and Joy Natalie Webster of Milo, Maine.

Nov. 11—George Albert Jollymore of Old Town, Maine, and Inez Maria Darling of Milo, Maine.

Nov. 9—Charles Henry Lafland and Izora Curtis, both of Milo, Maine.

Nov. 18—George Robert Waterhouse of Milo, Maine, and Donna Joan Giles of Detroit, Michigan.

Dec. 26—Clifford Edward Landry of Dexter, Maine, and Jane Houston of Milo, Maine.

Dec. 24—Dana Oscar Townsend and Susie A. McSorley, both of Milo, Maine.

Dec. 15—Frank Kingdon Waterhouse of Milo, Maine, and Una May Cushman of Webster, Maine.

Dec. 31—Lewis William Hoxie of Milo, Maine, and Albertina Mary Cyr, of LaGrange, Maine.

1945

Jan. 21—Stephen Thomas Sullivan and Hera W. Emerson, both of Milo, Maine.

Jan. 26—Leland Elmer Spencer of Cornville, Maine, and Rita Edna Begin of Skowhegan, Maine.

LIVE BIRTHS

1944

Jan. 29—To Clark Leslie and Ilda Corson Farnum—Grace Ann.

Jan. 30—To Joseph Lazare and Clarissa Moore Doiron—Douglas Wayne Moore.

Attest:

ELTON E. CLEMENT,
Town Clerk of Milo, Maine.

REPORT OF PUBLIC HEALTH NURSE

I hereby submit the annual report of service carried on in the town of Milo by the Piscataquis County Tuberculosis and Health Association for the year January 1, 1944 to January 1, 1945.

Emphasis is placed on school health service and Tuberculosis Prevention, assistance being given to the schools in solving health problems and in working with the community and schools in Tuberculosis Prevention.

The nurse cooperated with Dr. Stanhope, Medical Director for District IV, who gave Von Pirquet tests to 110 Junior and High School students and Dr. Carde immunized 21 sub-primary and first grade pupils against diphtheria.

Health Supervision and Corrective Program

Ten home visits to six crippled children were made and one child is under treatment. Three school children were taken to the oculist for refraction of vision. Two children attended the mental Hygiene Clinic at Bangor. Transportation was furnished by the nurse. One child was taken to Waterville for operation and treatment. Several trips were made in the interest of this case.

School Health Service

Annual inspection in the school was completed and the following defects noted:

Number of children inspected	450
Number of children with defective vision	29
Number of children with defective throats	88
Number of children with defective teeth	92
Number of children with unclean teeth	64
Number of children with symptoms of nerve defects	5
Number of children with defective skin condition	16

Number of children with speech defect	10
Corrections made:	
Vision	9
Teeth	23
Throat	16

Notices sent to parents 82

Physical examination in the high school was given by Dr. Bean.

Dental Service

Much credit is due the Nurse's Guild for the fine dental program that they sponsor.

Unclassified

Number of homes visited	52
Meetings attended	8

Appreciation is extended to the Superintendent of Schools, teachers and all citizens for their cooperation, and to the Lions Club, Nurses' Guild for health service rendered in paying for glasses and in making dental corrections.

Respectfully submitted,

*Piscataquis County Tuberculosis and
Health Ass'n*

Public Health Nurse

ANNUAL REPORT FOR MILO

Bureau of Health Nursing Service
January 1 to December 31, 1944

With the passing of each year of the war, there is an increased need for Good Health and fewer resources for obtaining it. This makes the requirement greater for communities to find ways to help themselves. Scarcity of doctors, nurses, wartime restrictions on travel and rationing of food, means that maintenance of good health standards on the home front is becoming more important. Com-

munities that use Health Resources at their command such as Pediatric and Crippled Children's Clinics, Child Health Conferences and Immunization Clinics find that better health can be maintained.

During the past year your Bureau of Health Nurse made home visits to mothers stressing the importance of continuous medical supervision and giving health guidance before and after the birth of the baby. Visits were made to assist parents of infants and small children with health problems. Parents were urged to take their children to the family physician for physical examination and immunizations.

The services of the Crippled Children's Clinics and Pediatric Clinics of the Bureau of Health have been made available to children in this community.

The Sanitary Engineering Division services have been used by your Community during the past year. This health protection is always available and contribute to the Community safety.

Two Child Health Conferences and two immunization clinics were held during the Summer. Twenty-nine infants and preschool children were examined by a physician. Recommendations were made for the correction of defects when found. Five were vaccinated against smallpox, five were immunized against diphtheria and twelve against whooping cough. Visits for control of Communicable Disease were made to seven families.

The organization of a local health committee would aid the community in better health services.

The cooperation of the Nurses' Guild and the citizens of Milo has aided in health protection for the community.

JENNIE A. YORK,

*Bureau of Health
Public Health Nurse*

REPORT OF LIBRARIAN

Books accessioned:

Reference	2
Philosophy	2
Sociology	9
Natural Science	2
Useful and Fine Arts	8
History and Travel	5
Biography	12
Literature	13
Fiction	190

30 books were discarded and 15 replaced.

Books in the Library January 1, 1945—7,548.

Received for fines and out of town library cards—\$78.21

In 1942 Mrs. Linnie Dick gave the book Mrs. Miniver for the Pay Table. Through an oversight it was not reported.

Gifts for year 1944 include:

Mr. and Mrs. W. E. Gammon—\$2.00 and a book.

Mrs. R. A. Burton—\$5.00 and several books, including The American Dream by Joseph B. Ely.

New Idea Club—\$5.00.

Books were given by Mrs. Clara Pullen, Mrs. Sue Jenkins, Mrs. S. J. T. Savage, Mr. and Mrs. F. S. Treat, Mrs. Frances Knight Norris, Mrs. Harold Owen, Mrs. Clinton Cook, Mrs. Irma Skmeidenberg and Miss Clara Owen.

We would like to buy the book—Milo and Brownville Town Register by Mitchell, published in 1905. Do you know of any one that has one?

We regret that Mrs. Clara Pullen, who has been Assistant Librarian for fourteen years, has retired, with best wishes of the staff. Her place is being filled by Mrs. Katherine Thompson.

Intoxication	12
Larceny	4
Assault and Battery	2
Driving under influence of liquor	1
Doors found unlocked	21
Number of tramps	33
Number of calls answered	295

Respectfully submitted,

AARON W. DAY,
Police Officer

REPORT OF TOWN MANAGER

To the Board of Selectmen and Citizens of the Town of Milo:

Herewith is a report on the activities of the Departments for the past year.

The Summary of Accounts shows the financial standing of the several departments and a complete detail is on file at the Town Office, to which reference may be had for the separate items of credit and disbursement.

It is gratifying to be able to report that the financial struction of the Town is in the best condition it has been at any time for the past ten years. As is shown in the schedule accompanying this report, the amount of the uncollected taxes at the end of the year was very small and the amount of cash on hand was substantial. These results, together with an unexpended balance of \$1,274.30 for the fiscal year show the net town debt to be at its lowest.

It is recommended that the amount of cash on hand, that is not appropriated to a specific department, be reappropriated to finance the maintenance, as post-war work, of streets, roads, walks, building and equipment that has, because of the shortage of men and materials, been necessarily deferred.

Attention is again called to the finances pertinent to the forest fire at the Milo-Sebec town line. On August 13th and 14th the Milo Fire Department brought a forest fire under control in Milo and Sebec. At that time it was estimated that the work as carried on was over an area that was about as much in Sebec as in Milo. The cost for the

operations those two days was \$457.42 and the Town of Sebec was sent an itemized bill for one-half of this amount. The officials of the Town of Sebec have attempted to refute this bill. Under date of November 13th the Selectmen of Sebec were sent the following letter, registered and return receipt requested.

"On November 10th the Selectmen of the Town of Milo considered the fire that broke out on the Sebec River about August 13th. It was then voted that the Milo Fire Department would not answer any calls received from the officials of the Town of Sebec until the bill rendered by the Town of Milo under date of October 5th has been paid."

It is recommended that legal action be undertaken to establish this claim.

The assistance and cooperation of the citizens, officials and employees of the Town is reflected in the fine understanding and results accomplished.

Respectfully submitted,

BION F. JOSE,
Town Manager

REPORT OF BUDGET COMMITTEE

The Budget Committee at meetings held in conjunction with the Superintending School Committee and Superintendent and with the Selectmen and Town Manager, carefully considered the needs and requirements of the several Departments and functions maintained by the Town.

Analysis of the financial structure indicates a likely further reduction in total tax valuation of the Town and the necessity of increased appropriations, especially in the School Department which must necessarily result eventually in an increase in taxation.

With relation to school costs, attention is directed to the fact that the recommendations made by your Budget Committee this year, provide a total amount in excess of \$50,000.00 for the use of the School Department. This represents the maximum amount that the Town can be expected to provide, as it represents over one-half of the total recommended Budget. It is a recognized fact that it is likely that in the possible near future, some replacements may be necessary in the School Buses used for transportation of pupils, both for replacement purposes and to relieve some apparent congestion. Under existing conditions your Budget Committee does not feel that this is a matter requiring immediate action and can well be dealt with when and if the situation becomes actual. In connection with additional space that may be considered desirable for classrooms, it is felt that the temporary arrangement can be satisfactorily continued at Derby and by finishing up the available room at Chase Hall, the situation can be met without undue hardship.

The Budget Committee, after a careful examination of the other Town Accounts, feels that the town finances are in a healthy condition and the general improvement indicated in the report is most gratifying.

The Budget Committee recommends that the Town purchase a new motor fire pumper for use of Milo Fire Department, replacing the Reo unit which is now over 20 years old and in a worn out and unsafe condition for continued use as "First Lines" protective fire apparatus. A very careful and thorough investigation of this situation was made by your Budget Committee and all phases considered and the conclusion reached has in mind the required protection of our property, especially the outlying farming area. It is recommended that this new unit be paid for out of any funds available and that no additional funds be raised by taxation for this purpose.

Respectfully submitted,

WILSON SHERBURNE, *Chairman*
